ST PETER'S ART EXHIBITION

Week commencing 22nd June: art work produced by children in our school and a number of other Gloucester primary schools will be exhibited in Blackfriars Priory. It will be a celebration of art work of all mediums, produced by children of different ages throughout this academic year. The exhibition will be open for school visits during the week and a group of budding artists from each year group in our school will be visiting on the Friday morning. Luckily, on Saturday 27th June, this exhibition will also be open to members of the public. This is a fantastic opportunity for children, families and friends to view our celebration of art work - we hope to see many of you there!

POPE FRANCIS' PAPAL ENCYCLICAL: PROTECT AND CARE FOR EACH OTHER

Today Pope Francis released his encyclical, *Laudato Si* - Care of our common home, a landmark invitation for the Church, for political leaders and for every one of us as we reflect on the Holy Father's encouragement to live simply and in solidarity with the poor.

He asked us to protect and care for each other and the earth: the precious home that we all share. Join Catholics worldwide to ensure that the encyclical's message reaches world leaders in this important year. Sign the petition to the Prime Minister:

Call on David Cameron to show leadership to prevent climate change pushing people deeper into poverty. The on-line petition can be found at www.cafodorg.uk

SUNDAY'S GOSPEL

On Sunday we will listen to the story of The Calming Of The Storm. This is a miracle because with the words, "Be at peace!" spoken by Jesus the storm stopped. This gospel story reminds us that if Jesus was able to rescue the apostles from the storm, He is also able to rescue us from the storms of everyday life: sickness, job loss, marriage problems, and even the sting of death.
