ZOOLAB VISIT TO EYFS

ZooLab have amended our booking and will now be visiting RJB and RLW on Wednesday 25th May.

SPANISH DAY

The whole school started their day in assembly watching Spanish flamenco dancing and listening to some traditional Spanish songs. Key Stage 2 then enjoyed a Spanish Cultural day. They appeared to be bubbling with enthusiasm, learning more about Spanish life, customs and culture.

"I found out that flamenco has three parts to it: dancing, singing and music," Alan 5MC

"It was really good. I enjoyed the flamenco," Reuben 4TD

RJB's VISIT TO CITY FARM

On Wednesday, RJB managed to get to City Farm - we only had the one rain shower! The children walked down beautifully and were a credit to the school. Amazingly, the walk back took the same amount of time as the walk down; we definitely didn't show how tired we were! Our visit helped to support our current learning. We named the adult animals and their young, collected eggs and fed the piglets.

"We stroked the lambs. The lambs were fast at running!" Austen

"I liked the piglets. They ate carrots." Janderson

RLW – ST JAMES CITY FARM TRIP

Last week, RLW enjoyed a trip to St James' City Farm in Gloucester. The weather was very kind to us that morning, we walked there and back in beautiful sunshine. Cathy the farmer showed us around the farm. When we arrived we had lots of jobs to do; we had to let the pigs out, let the ewes and the lambs out and let the goats out to graze in their paddocks. After that we had a few moments rest where we had the chance to stroke the rabbits and look at the guinea pigs. Cathy could see that we were hard workers and budding little farmers so she asked us to do one more job on the farm...collect the eggs! We each collected duck and hen eggs which gave us the opportunity to spot some of the differences, Amelia - 'The duck eggs are bigger and they are white'. The children gained so much from the experience and even Cathy the farmer said how delightful our children were. Thank you to the parent volunteers who helped assist on that morning.

Y2 CLAYDAYZ WORKSHOP

On Tuesday, Year 2 had a wonderful art workshop provided by Claydayz. We learnt how to mould the clay into 'coils' (long thin sausages) and create different shapes. We learnt how to join the clay together by dipping our fingers in the water. With our new found skills we made hairy spiders and cheeky frogs! They look great!

"I learnt that clay is older than the dinosaurs!" Sam 2LN

"I liked rolling the coils the best when we made the spiders' legs" Megan 2LN
