PARENTMAIL

We have sent via email/text activation reminders for ParentMail. Could we please ask that you activate your account within 7 days of receipt.

We are now sending our newsletters through ParentMail so if you require a paper copy could you please notify the school office.

GREAT GARDENERS

As RHS Chelsea Flower Show kicks off this week show-casing the fantastic floral displays of Britain's best gardeners, our own budding gardeners in Reception and Key Stage1 have been working hard planting flowers across our school grounds. This is part of a whole school project aimed at making our school grounds look even more beautiful. Can you spot where they have been hard at work?

Y1 FOODBANK COLLECTION

This month, Y1 collected 92 items for the Gloucester Food Bank. A huge thank you.

ZOOLAB VISIT TO EYFS

On Wednesday, Georgie from Zoolab brought some animals in to see us! The animals she brought in helped us to learn about how different animals use their senses; we found out that some animals use their senses in the same way that people do but some animals do not. Did you know that ...

A cockroach feels sound through its body?

A snake uses its tongue to smell?

"I liked the snake – it was coming towards me!" Julia

"A snail turns rain into slime!" Jenny

"I learnt about the bearded dragon. When a bird tries to eat him up, he goes on two legs and runs fast." Dawid

"I didn't know that tarantula's webs were brown – I thought they were white!" Alan

ROUNDER'S COMPETITION

A team of six Year 5 and 6 pupils played in the Gloucester School Sport Network Rounder's competition on Wednesday at Ribston Hall High School. The children; Katy (6JW), Rome (6AK), Kevin (5SS), Axel (5SS), DJ (5SS), Bethany (5SS), Regan (5SS), Jakub (5MC) and Teagan (5MC), performed with excellent enthusiasm and a real team spirit - they worked together to improve their tactics and supported each other throughout. Unfortunately, they did not make it out of the large school group phase of the competition but were very gracious in their defeat. They enjoyed playing the matches and even had time for some games between themselves afterwards. Every child's behaviour was exemplary and they represented the school impeccably.

QUEEN'S 90TH BIRTHDAY CELEBRATIONS

On Saturday 11th June the Queen marks her official 90th birthday. In order to celebrate this historic occasion we will be having a tea party on the school grounds on Friday 10th June. Children are invited to come dressed for the occasion, wearing the union jack colours of red, white and blue or dressed as a king or queen. The words 'Happy Birthday' will be written on the KS1 school playground where you are invited to make a donation of a shiny coin that will go towards one of the Queen's charities. I'm sure you will all join us in congratulating the Queen on this special occasion.

ST PETER'S CROWN COMPETITION

On Thursday the children were set a special challenge - to design and make a crown to mark the Queen's 90th birthday! The crown should depict the Queen's life over her 90 years in some way; perhaps her role in the commonwealth, her efforts in World War II or her love of corgis! Please could all entries be named and placed in our special gallery in the dinner hall by 8.55am on Friday 10th June ready to be judged. We look forward to seeing your wonderful creations!

GUIDE DOGS UK

A big thank you to Starbucks in Gloucester for contributing to our collection of bottle tops that helps raise money for Guide Dogs UK.

CORE VALUES

Our Core Value next term will be RESPECT – we shine when we show respect. Our acts of worship will help the children to:

Consider how they show respect for others in their home, school and wider communities;

Reflect on how they value and respect their own and other people's belongings;

Remember that God has given us the responsibility to value and respect all animals;

Learn that St. Francis is famous for his love and respect for animals;

Value their environment and know that they should help to protect it for future generations;

Recognise that reverence takes respect a step further and will include aspects of worship such as awe and wonder, surrender and sacrifice;

Appreciate that some objects have a special significance and should be treated with reverence;

Understand that Mother Teresa believed that everyone is a child of God, infinitely precious and worthy of reverence, respect and dignity.
