Y4	Shape and Position	Poetry	Living things in their habitats
Y5	Shape	The Highway Man	Forces
Y6	Using and Applying	Grammar	Evolution and Inheritance

GENEROSITY DURING LENT

Over the last two weeks in Core Value assembly, the children have watched videos showing generosity. The first video was about how CAFOD has been generous in helping Florence, how Florence has been generous in helping her community and how the community has been generous in providing for all the children. The link is <https://www.youtube.com/watch?v=AAa9StVQOI> As a follow up to this, we are collecting any loose change for CAFOD. So if you are shopping and your child would like some biscuits perhaps they could sacrifice the biscuits and give the money to CAFOD instead – this shows generosity to others in need. The second video we watched was The Rainbow Fish <https://www.youtube.com/watch?v=RbKr-k1PTvA> This is a wonderful story which shows the consequences of being selfish and the joys reaped when you are generous. I hope you enjoy them.

PFA SUMMER FUN DAY – CHANGE OF DATE

The PFA Summer Fun Day is now on Friday 23rd June instead of Saturday 24th June due to Little Mix playing at Kingsholm.

HEADLICE

We have had cases of headlice in school again particularly in RJB and RLW. Please can parents check their children regularly and treat as appropriate. Speak to your chemist and enquire about the Minor Ailment Scheme – you might be entitled to free headlice treatment. Thank you.

FOREST SCHOOL THANK YOU

Thank you to all parents who have kindly made or donated resources for our Forest School area. We now have enough resources and materials for the time being for the children to enjoy. We are very lucky to have such generous families in our school community. Thank you so much.

LIFE EDUCATION CENTRE

The Life Education Centre visited our school this week. The Life Education Centre aims to help children develop the confidence and thinking skills needed to make informed health choices. The children explored a range of health related issues such as hygiene and healthy eating, managing emotions and keeping safe. KS2 children explored the use and effects of drugs, in an age-appropriate way.

"Our hearts beat and send blood around our bodies." Elsie RJB

"We were learning about bodies and we did exercises – star jumps! We talked about our hearts and brains." Lizbeth 2SS

"We learnt all about drugs – what kind of drugs there are and why we shouldn't take them" Amelia 5HC

"We also learnt that caffeine and tobacco are types of drugs and that some drugs are used for medicines." Daniel 6CJ

CONGRATULATIONS ST PETER'S NETBALL TEAM

A huge well done to our netball team who beat Tredworth Primary School 9-3 at home last night. It was a super team effort with all players demonstrating excellent skill and sportsmanship throughout. For the Year 6 players this was their last match of their St Peter's netball career so it was fantastic that they finished on such a great result. Congratulations Ella, Cassia, Esther, Teagan, Lorna, Jakub, Bobby and Reo. A super team! Also I would like to thank the parents for their continued support during the season, and to the PFA for providing refreshments for the home and away teams after home matches. Thank you, Miss Williams.

LEARNING GEMS

Congratulations to Brooke in 2SS for achieving a Ruby Power Certificate for showing kindness and supporting others.

SCHOOL WEBSITE

St Peter's Catholic Primary School website, www.st-peters-pri.gloucs.sch.uk, contains lots of information for Parents and Carers and includes a section on what support is available for families as well as activities for children. Please do explore the site as you may find something that interests you or may be of some help for your family. We update regularly with new information so it's worth checking in to see what is being offered.
