Y4	Assessment Week		Living Things and Their Habitats
Y5	Assessment Week		Forces
Y6	Interpreting Data	Persuasion and Recounts	Evolution and Inheritance

### **HOW DO WE SHINE IN JESUS' LIGHT?**

Following our gospel assembly on Monday morning about the Transfiguration of Jesus, the children were asked to think about how they shine in Jesus' light. If you catch your children making good choices in their words and/or actions please praise them and tell them that they are shining in Jesus' light and are a great role model for others to follow. Thank you.

### **RUNNING IN PLAYGROUND**

As children were arriving into school one morning this week, a child suffered a serious head injury after being knocked down by another child who was running too fast on the playground. School drop off time is a very busy time where lots of children, parents and younger siblings are walking to and from classrooms. Please could you ensure that your child walks to their classrooms sensibly and safely to avoid any future accidents. Many thanks.

### **THURSDAY 23<sup>rd</sup> MARCH WILL BE A WHOLE SCHOOL NON-UNIFORM DAY**

Bishop Declan has asked the young people of our diocese to extend their knowledge from the Year of Mercy and continue to help others around the world. Encouraged by the Year 5's topic 'Go with the flow', we have taken the inspiration of 'water in our world' and 'giving drink to the thirsty'.

On Thursday, the children will have an assembly introducing them to this and will learn more about how we can conserve water in order to help others and our environments. Next term we aim to have visits from Seven Trent Water to continue this initiative. We will be raising money for Water Aid and encourage all **children to come dressed in blue**. Please can children bring in 50p to support this event.

### **YEAR 6 MATHS STEM WORKSHOP**

On Thursday 16<sup>th</sup> March, all children in Year Six had an action packed session developing their Maths skills. During the workshop, the children solved algebraic problems to complete a number trail, used logic to win strategy games and practised their geometry skills by building shapes. Great fun was had by all! 'I loved the fact it seemed impossible, but it was possible!' Freya 6CJ. 'It was a pleasant experience for me because there were so many activities to choose from and it made my brain work really hard!' Cinta 6JW. 'It was fun solving problems on the IPAD, it didn't even feel like Maths!', Axel, 6CJ

### **LEARNING GEMS**

Congratulations to Tia in 3KM for achieving an Emerald Certificate for Perseverance and Courage.

Congratulations to Bernadette in 2SS for achieving a Ruby Power Certificate for showing kindness and supporting others.
