HEADLICE

We have headlice in school again! Can we please ask that parents check their child's hair and treat accordingly. Many thanks.

FIRST HOLY COMMUNION

Please pray for the children (named below) who will be making their First Holy Communion at St Peter's Church on Saturday 27th May at 11.00am, that they may grow ever closer to Jesus and feel his real presence in the Eucharist.

Nithesh, Eryk, Kudzai, Riya, Sophia, Wiktor, Riley, Maisie, Michael, Sienna, Eva, Trevin, Anya, Daniel, Anna, Gabriel, Sam, Rory, Joanna, Niamh, Leo, Aaliyah, Oliver, Robyn, Sinead, Bethany, Benjamin, Maya and Tia.

NEW INTAKE SEPTEMBER 2017

There will be an information evening on Wednesday 14th June for the parents of children due to start in September 2017. As this is an information evening we ask that no children are brought to the meeting. Refreshments will be available from 6.00 pm and the meeting will start at 6.30 pm. Please collect your information pack on arrival and sign up for an appointment to meet with your child's class teacher in September.

ZOO LAB

Georgie from Zoolab brought some animals in to see RJB and RLW today. The animals she brought in helped us to learn about how different animals use their senses; we found out that some animals use their senses in the same way that people do but some animals do not. Did you know that ...

A tarantula feels through the hairs on its body?

A snake uses its tongue to smell?

"I liked touching ALL the animals." Ryleigh

"The snake slithered on the floor." Elsie

"It (cockroach) felt tickly." Natalia

"I'm not going to be scared." Lexi-Mai

YEAR 5 & 6 ROUNDERS PLAYERS WANTED

As only 5 children have signed up to Rounders Club this term, we have not been able to play a game of rounders yet! If you are in years 5 and 6 and would like to learn how to play please sign up for the club as soon as possible. Rounders is lots of fun and you get to spend time in the sunshine! If we do not get enough people signed up, we will have to discontinue the club. Many thanks, Miss Williams and Mrs Griffiths.

YEAR 1 PHONIC SCREENING

Year 1 will be doing Phonic screening during week beginning 12th June- the Year 1 children will be 'tested' on their ability to blend and read words. Please try to send your child into school for this week. Thank You.

GLOUCESTER SCHOOLS PARTNERSHIP – A CELEBRATION OF ART EXHIBITION

On Monday, 6 children from Years 3-5 accompanied Mrs McGuinness and Mrs Fletcher to Gloucester Cathedral to create our school's art display for the Gloucester Schools Partnership Celebration of Art Exhibition. The children enjoyed looking at the other schools' displays before receiving a talk from local artist Rachel Shilston.

"I really liked the 3D snake and other animals." Raphael 3KM. "There was so much great art to see." Maria 5CS.

The exhibition will be open to the public in The Cloisters at Gloucester Cathedral from Wednesday 24th May – Sunday 4th June. Entry is free. It is well worth a visit to see the fantastic, talented artists we have in our schools across Gloucester.

LEARNING GEMS

Congratulations to Isabelle, Eve, Niah, Joel, Adem and Megan in 3RM for achieving a Diamond Power Certificate for solving problems and showing responsibility.

Congratulations to Isaac in 3RM and Lucas in 2SS for achieving a Ruby Power Certificate for showing kindness and supporting others.

CORE VALUES

Our next core value will be THANKFULNESS – we shine when we show gratitude.

We aim to help the children to:

Recognise that when they say ‘thank you’ they are acknowledging what someone else has done for them;

Consider how they show their gratitude to people who help them or are kind to them;

Recognise that God loves and cares for them in many different ways in all aspects of their lives. Their response to this provision should be one of thankfulness and praise;

Acknowledge that when they are facing difficult times it can be hard to be thankful. They should remember God’s promise to be with them in every circumstance.

ST PETER’S LEARNING ZONE

Check out the Children’s Area on the school website to see the Learning Zone. A number of videos made to show how key aspects of maths are taught in the classroom in each phase. It’s definitely worth a look! www.st-peters-pri.gloucs.sch.uk/learning-zone.
