#### **PARENTPAY**

Could we please remind all parents that dinner money accounts MUST remain in credit at all times in order for your child/children to have a school meal. Could we please ask that the current Year 6 pupils' accounts be monitored by parents to ensure there is no debt or monies left on the accounts by the end of the academic year. Many thanks, the Admin Team.

#### **JOURNEY IN LOVE**

Next week in school, all year groups will be participating in "Journey in Love" sessions. There is information about what each year group will cover in the attached. If you have any queries about what your child will be learning about please speak to their class teacher.

#### **EYFS/KS1 WELLY COLLECTION**

This week was the last week of Forest School for the year. Wellies can now be taken home. You may want to use a plastic bag to take the wellies home in as some of them are very muddy! In September we will inform you of the next start date for Forest School in order for you to bring their wellies back in. The children have had a great year in Forest School and have had lots of fun whilst learning lots of new skills. We would like to thank Hannah, the Forest School Leader, for all her efforts in introducing Forest School to St Peter's. Many thanks.

#### **EYFS ASSEMBLY COSTUMES**

This is a reminder for all EYFS parents that our year group assembly is on Friday 30th June. Children who need to wear costumes should bring their costumes in, in a named plastic bag, by Monday 26th June.

#### **Y5 TRIP TO SHAKESPEARE'S BIRTHPLACE**

On Monday 19th June Year 5 travelled to Stratford Upon Avon to visit Shakespeare's birthplace. We had an absolutely wonderful time, even though it was VERY hot! When we arrived we were taken into the Shakespeare Centre where some of us had a talk while the other class explored Shakespeare's first home. It was incredible to see where he was born, grew up and lived when he was first married. As the floors have never been changed, we can really say we've walked in Shakespeare's footsteps! While we were there we were lucky enough to see some actors act out our requests of our favourite plays, of course we chose Macbeth and The Tempest.

"My favourite part of the trip was when I dressed up as Pyramus in the Shakespeare play. I loved acting it out!" Keneeth, 5HC  
"I really liked looking around the house where Shakespeare was born because the man said we were walking in Shakespeare's footsteps!" Maria, 5CS

"I really enjoyed walking around Stratford because it was full of interesting Tudor buildings!" Reo, 5CS.

## UNDERSTANDING YOUR CHILD – SOLIHULL APPROACH

We are delighted to announce that staff and parents can now access an innovative ONLINE course about children, worth £39, completely free of charge. Understanding Your Child is put together by the Solihull Approach, an accredited, evidence based approach established 20 years ago by psychologists, health visitors and other health professionals.

Understanding Your Child is for parents, carers, and professionals caring for children aged 0-18 years. It looks at brain development, play, styles of parenting, sleep, temper-tantrums, communication and more and is based on the nationally and internationally acclaimed face to face course offered by the Solihull Approach.

Please look out for the separate letter sent home via ParentMail with instructions about how to log on to this free resource.

“This course has been an absolutely invaluable gift to me. It has and will change so many aspects of my life. I am undoubtedly a better parent and more rounded and fulfilled person as a result. Some aspects have literally been like ‘Eureka’ moments to me! I WISH I’d known all this years ago”

“The Solihull Approach course I did made it clear parents don’t need lessons: daily life throws us enough of those. What we need is the space to step back and observe our children. We need some structured guidance to help us reflect on all the factors that make them behave the way they do; some developmental, some circumstantial.”

“I have found the online course very useful. Now, I take time to think more during difficult situations and during arguments with my kids.”
