### Y4 TRIP TO THE LIVING RAINFOREST

On Wednesday 30th January, Year 4 went on a trip to The Living Rainforest. In class we have been learning about deforestation and the damage that is being done to the rainforests, so we went on a tour called 'Sustainable Future'. We learnt about the threats to different species but also heard about lots of good things that are being done to help preserve them for the future. It was wonderful to see rainforest animals first hand, such as a toucan, monkeys, turtles, a sloth and many more, along with cocoa and coffee beans and flowers used for medicine. It brought our learning to life and we look forward to continuing with our 'Remarkable Rainforests' topic this term!

'We loved it because we got to see lots of animals and learnt about the Blue Poison Dart Frog.' - Bernie and Jessica 4EI

'I enjoyed exploring the rainforest and seeing the Toucan.' - Chris 4SD.
