Y3	Fractions	Non-chronological reports	Plants
Y4	Fractions	Narrative writing	Sound
Y5	Percentages	Fiction writing	Stargazers
Y6	Fractions, percentages and decimals	Diaries	Animals including humans

### **WORLD BOOK DAY – THURSDAY 7<sup>th</sup> MARCH**

On Thursday 7<sup>th</sup> March we will be celebrating World Book Day in school. We would like the children to come to school dressed as their favourite book character. The children must bring the book into school with them or a picture of the front cover, and to be able to talk to the rest of the class about the character. The children will be taking part in a range of book related activities during the school day.

### **READING CHALLENGE**

As part of the world book day theme - 'Share a Story', today your child should have come home with a reading star challenge sheet. We hope that the children will have fun reading while completing the stars. All completed sheets need to be returned to the class teacher on Friday 8<sup>th</sup> March. Every child that completes the challenge will receive a certificate in assembly and also be entered into a prize draw. Happy Reading!

### **LIFE EDUCATION CENTRE**

The Life Education Centre will be visiting our school on Monday 11<sup>th</sup> March to Thursday 14<sup>th</sup> March 2019. The Life Education Centre aims to help children develop the confidence and thinking skills needed to make informed health choices. The children explore a range of health related issues such as hygiene and healthy eating, managing emotions and keeping safe. KS2 children will explore the use and effects of drugs, in an age-appropriate way. All sessions link with and support the National Curriculum and are taught by a trained educator. If you would like to find out more about Life Education, you are very welcome to attend a parents' session, which will be held at **2.45pm on Monday 11<sup>th</sup> March 2019**.

### **SCIENCE WEEK**

We have seen some amazing Science, Technology, Engineering and Maths skills this week across the entire school as we have all enjoyed completing some Science week challenges. Every class has had the opportunity to build the tallest freestanding tower which resulted in some amazing, imaginative and innovative designs as well as team names. Well done to the following champion teams with the tallest towers in their class:

The Builders in RAE with 36cm

The Penguins in 1AH with 22cm

The Engineers in 1LD with 39cm

The Sparkle Unicorn Builders in 2VM with 44cm

Team Ten in 2SP with 48cm

Great Blue Team in 3RM with 36.5cm

Sky Heights in 3KM with 56cm

Storm Power in 4SD with 25.8cm  
 Unikitties in 4EI with 35cm  
 IMO in 5HC with 43cm  
 Banana Builders in 5MD with 48cm  
 CLI Industry in 6YW with 68cm  
 Team Tilted in 6CJ with 63cm

As well as this, in line with the national theme of Journeys - no matter how big or small - each year group has explored a journey of their own. There have been aeroplanes and helicopters flying around the building, ping pong balls being catapulted across the fields, toys and sledges being pulled across 'the ice' and liquids racing along a runny track. It has been enormous fun and we have also learnt a great deal. Hopefully our enthusiasm and excitement for Science will continue to develop over time... there are definitely a number of budding scientists, designers and engineers among us already!

Thank you to all of the teachers and staff who planned and delivered such engaging activities this week making Science week such fun.

### #WAKE UP WEDNESDAY

TK 18

### NETBALL MATCH

The netball team played a match against Parton Manor. It was a really tough game. Even though the team were losing 6-0 after the first quarter, they never got disheartened. The team continued to play their best. Final score: 12-3 to Parton Manor. The player of the match was Hannah.

### LEARNING GEMS

Congratulations to Rylee in 3RM and Elliott in RAE for achieving a Diamond Power Award for solving problems and showing responsibility.

### CORE VALUES

Our core value this term is PERSEVERANCE. We hope to develop the children's understanding that sometimes we need to persevere in order to achieve something we want. If we take little steps towards a bigger goal we will get closer each time we try. However, the path may not always be easy and it is important not to get frustrated. It does not matter how slowly you move towards your goal - the important thing is that you don't give up.

Please send in the core value certificate to share with us when your child demonstrates perseverance at home, for example;

*Tim practised doing up his shoelaces and he can now do them on his own!*

*Sally found her maths homework difficult, but she kept working on it until she got it right.*

*Glen has been to karate club every week and he has now learnt the basic moves.*

### HOUSE POINTS (to 28<sup>th</sup> February 2019)

Weekly Totals		Cumulative Totals	
Earth	267	Fire	1381
Fire	262	Wind	1291
Wind	234	Earth	1128
Water	194	Water	1022

### DINNER MENU - w/c 4<sup>th</sup> MARCH

Monday	Cheese Pizza	Vegetable Fajita	Jacket Potato with Beans
Tuesday	Spaghetti Beef Bolognese	Lentil & Sweet Potato Curry	Jacket Potato with Cheese
Wednesday	Roast Turkey	Vegetable Wellington	Jacket Potato with Tuna
Thursday	Sausage & Mash	Cheese & Pepper Pinwheel	Jacket Potato with Beans
Friday	Breaded Fish	Quorn Burger	Jacket Potato with Cheese

## DATES FOR YOUR DIARY

Thurs 7 <sup>th</sup> March	Whole School	World Book Day	Dress as a book character
Mon 11 <sup>th</sup> March	Whole School	Life Education Bus during the week	During the school day
Weds 13 <sup>th</sup> March	Y4	Clarinet Concert	2.00pm
Fri 15 <sup>th</sup> March	Y1	Class Assembly	9.15am and 2.30pm
