### **GIRL'S FOOTBALL TEAM**

Another "congratulations" is in order for our girl's football team this week. On Wednesday they won the Semi Final Championship KOs against Brockworth Primary Academy. It was a very tense game that the girls ended up winning through penalties. Rosinah was chosen as player of the match by Brockworth. Fantastic team work girls, keep it up!

### **LIFE EDUCATION CENTRE**

The Life Education Centre visited our school this week. The Life Education Centre aims to help children develop the confidence and thinking skills needed to make informed health choices. The children explored a range of health related issues such as hygiene and healthy eating, managing emotions and keeping safe. KS2 children explored the use and effects of drugs, in an age-appropriate way.

"Harold sang us a song. I hadn't heard it before. It was about body parts." Codie EYFS

"We found out what food does to our bodies. Cheese makes your teeth and bones healthy. Water keeps you alive." Vlad Y1

"Your heart always pumps – even when you are asleep." Austen Y3

"We talked about drugs – which ones are medical and which ones are illegal." Tia Y5

"We thought about how to react when you are asked to do something you don't want to." Henry Y5

### **GYMNASTICS COMPETITION**

Twelve of our KS2 pupils took part in the GSSN Advanced Gymnastics competition at Ribston Hall High School on Thursday. There were 85 competitors in total, with medals awarded to the top 20. Our pupils had been practising, in and out of school, for the last 2 weeks and performed superbly. They were a credit to our school throughout the event and 3 of our pupils came away with a medal, well done to all involved.

### **Y4 CLARINET CONCERT**

On Wednesday, Year 4 children enjoyed performing a clarinet concert to many other children, parents and teachers. Since the beginning of the academic year, the children have looked forward to their weekly lessons in which they have worked hard to learn how to hold a clarinet correctly, how to play different notes and how to read musical notation. Following 20 weeks of lessons, the children have grown considerably in confidence and knowledge and they put on an amazing show which captivated their audience. Well done, Year 4!

"It was fun learning how to read music and how to play the songs on the clarinet," Bernie, 4EI.

"It was a great experience to be able to perform in a concert," Theo, 4SD.

Year 4 parents only: If your child has enjoyed learning how to play the clarinet and would like to continue, the children are entitled to take part in free lessons at Tommy Rich's school on Saturday mornings.

### **NETBALL MATCH**

The netball team played a match against Finlay. All of the team put in their best effort. The final score was 8-1 to Finlay. The player of the match was Rosinah.
