THANK YOU PARENTS/CARERS – INFORMATION SESSIONS

On behalf of all the staff, I would like to thank our parents/carers who were able to attend the year group meetings. These meetings provided the teachers with a wonderful opportunity to share the learning that will be taking place in Terms 3 & 4 and to highlight important aspects of learning. All teachers impressed upon parents/carers present to profile reading at home. Learning phonics, blending, reading and reading comprehension are really important. We have invested a lot of money in the last 2 years on Reading books for school and home use and we also have online reading resources for you to use – so please do make best use of this. Once again, thank you to all who were able to attend – this partnership in your child's learning is really important to us.

FOLLOW ME! THE YEAR OF COMMUNION

On Monday morning the children will listen to the gospel story where Jesus calls his first disciples to follow him. He tells them he will make them fishers of men! What a great image this creates! In this Year of Communion we celebrate all in our school, local, national and international communities who come together to praise God and live their lives reflecting the greatness of God. We are followers of God, followers of Jesus – what a great catch we are! There is so much beauty and goodness in everyone – none of us are without flaws, but we all strive to do the right thing. Help us not to judge others but instead to look at ourselves and identify one thing that we could do to become an even better person. As followers of God and Jesus we recognise that all in our school, local, national and international communities are made in God's image and likeness and therefore we know that goodness and love is all around us. Celebrate!

PREPARE TO BE PROUD

Parents/carers are invited to come in to our first 'Prepare To Be Proud' visit on Tuesday 4th February 2020 from 2.15 – 3pm. The children will 'prepare to be proud' by identifying pieces of work that they are proud of and wish to show you and parents/carers will 'prepare to be proud' by seeing and celebrating your child's learning with them. This might also involve the class reciting a poem they have learnt, telling a story, singing a song or playing percussion along to a piece of music. We have given 45 mins for this event so if you have more than one child at school you will have time to visit their classes.
