**CORONAVIRUS**

Please note that a runny nose is NOT a coronavirus symptom, and if your child is feeling well in themselves they can come to school. Now we are all in school, there are the inevitable sneezes and sniffles which may cause some confusion – you know your child, but if you are not sure about any symptoms your child is showing, please use the [NHS online covid symptom checker](#). Alternatively, you can call 111, but please note that they are very busy.

If you have children in other settings – secondary school, nursery etc, where you have not sent them in because of coronavirus symptoms, OR they have been sent home with suspected coronavirus symptoms, you should arrange a test for them, and the rest of your household MUST isolate for 14 days, or until you have received the test results. This includes not sending ANY of the children in your household to school or nursery during this period. Please refer to the [guidance for households with possible or confirmed coronavirus infection](#). Tests should only be booked for those with symptoms. Please would you let school know the result. If the test comes back as negative then the household can return to work and school if everyone is feeling well. If you have been unable to book a test, the isolation periods have passed (10 days for the person with symptoms, 14 days for everyone else) and everyone is feeling well, the household can return to work and school.

We are grateful that parents follow these government guidelines as it helps to keep us all safe and stop the spread of coronavirus.

**NHS FLU VACCINATION PROGRAMME**

You will be receiving information and a consent form. Date of the vaccination to be confirmed. Please return completed consent forms (one for each child) by Friday 25<sup>th</sup> September. Please note, if we do not receive consent, your child will NOT be given the vaccine. Many thanks.

**STRANGER DANGER**

This week and next week, all teachers will be talking to their class about Stranger Danger. we would encourage all parents to also talk to your children about Stranger Danger so that they know what to do if they ever found themselves in an uncomfortable situation. Our messages in school are,

1. never speak to a stranger
2. don't accept sweets or any items from a stranger
3. if someone in a car calls you over do not go
4. if you don't feel safe yell and run away
5. run towards a shop/busy place and tell an adult working in the shop or a policeman etc
6. always go out with a friend

**CONGRATULATIONS**

Congratulations to Jose in 6CJ for being selected from 1,000 children for the Primary Schools District Sports B Team.

**FIRST HOLY COMMUNION 2020/21 CHILDREN - YEAR 3 AND ABOVE**

At this stage given all the Covid-19 uncertainties it is far from certain when and how the 2020/21 First Holy Communion preparation will be run. The hope is we could celebrate First Holy Communion at the usual times the first Saturday of May in English Martyrs and mid-June in St Augustine’s but these may need to be changed. In order to get some idea of numbers, so Fr Gerry and the catechists can plan as soon as things become clearer, please ask Fr Gerry after Mass or email him on [gerry.walsh@cliftondiocese.com](mailto:gerry.walsh@cliftondiocese.com) for an Expression of Interest Form – forms are also available from school – please email [admin@st-peters-pri.gloucs.sch.uk](mailto:admin@st-peters-pri.gloucs.sch.uk) to request a copy. These should be returned by Sunday 1<sup>st</sup> November to the parish.
