**THE FEAST OF CHRIST THE KING**

On Sunday, we will celebrate the feast of Christ the King. This is the last Sunday in the church's year and so the last gospel narrative reminds us that Jesus is our King and that when we follow in his footsteps by showing love to others then we will be welcomed into the kingdom of heaven at the end of time. Love is a gift and one that we are asked to share with everyone we meet. The John Lewis Christmas advert reminds us of this – when we show love to others we share happiness and it is infectious.

Mandy Baker, school chaplain at St Peter's High has prepared a gospel reflection which can be accessed via this link:

**GLOUCESTER FEED THE HUNGRY**

Thank you to everyone who has been able to donate food or selection boxes today to the PFAs chosen charity, Gloucester Food The Hungry collection. We have been overwhelmed by your generosity. In giving so generously, your parcels will be received by those in need with gratitude and in the knowledge that people in the community care for them. Thank you.

**CORONAVIRUS SYMPTOMS**

The main symptoms of Coronavirus are:

- A TEMPERATURE
- A NEW CONTINUOUS COUGH – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- LOSS OR CHANGE TO SENSE OF TASTE OR SMELL

Children may not cough to the same extent as adults, and they may show other symptoms – the top ones being fatigue, headache, fever, sore throat, loss of appetite, skin rash, tummy problems. If your child displays symptoms of Coronavirus PLEASE DO NOT SEND YOUR CHILD INTO SCHOOL. You must phone 111 or your GP IMMEDIATELY for advice.

If you are advised to get a test for your child, your child and everyone in your household MUST isolate until you receive the result of the test.

- If the test is negative your child can return to school and the rest of the household can stop self-isolating.
- If the test is positive your child should isolate for 10 days from when the symptoms started and the other members of the household must self-isolate for 14 days from when the symptoms started.

Please note that sniffles/runny nose are NOT COVID symptoms and your child can come to school.
