FOLLOW ME!

On Sunday, our gospel narrative is about Jesus calling the fishermen, Peter, James and John, to follow him. Jesus says, "Follow me and I will make you fishers of men!" These words today, are very much an invitation to every one to follow Jesus. We follow Jesus when we make good choices with our words and actions. How will you follow Jesus this week?

FEEL GOOD FRIDAY

We hope you enjoyed watching the staff dance to 'I feel good'. They certainly are a mad lot! What will they do this Friday . . . ? Keep your eye on St Peter's facebook page for our Feel Good Friday fun.

ACCESS TO LEARNING SURVEY

Thank you for your responses to the survey. We are using this to inform how our Home-schooling devices are loaned out and will be in touch with those families very shortly.

TECHNICAL ISSUES WITH REMOTE LEARNING

We are here to help all in our school family. If you are having problems accessing the remote learning please let your child's teacher know via one of the Zoom sessions or if you are unable to access Zoom please email admin@st-peters-pri.gloucs.sch.uk and the teacher will get back to you.

If your child is playing a recorded lesson etc., and you get a message to say that it is buffering, there are a couple of things that you can try:

1. Close down anything open in the background
2. If it is playing on a laptop using Wi-Fi, try using a cable directly into the Wi-Fi router. This is called an ethernet cable and is easily purchased online. Please remember to buy a cable the right length so that it sits comfortably between the laptop and router!

TAKE A BREAK!

We are aware that remote learning includes a lot of screen time. Please ensure your child takes a 10 minute screen break every 40 minutes.

PARENTS' EVENINGS – THESE ARE 30 MINUTE ZOOM SESSIONS

Dear parents/carers, The parents' evening sign up is for your child to attend a ZOOM session. For example, if the slot you choose is between 11am – 11.30am and you choose ONE slot during this time, then you MUST join the Zoom session at 11am . The teacher will meet with your child and up to 5 other children. The teacher will revise the learning they children have been doing, address any misconceptions, extend learning where appropriate and/or do a pre-teach (this means teach then something that they will be learning about the next day). Every 2 weeks we will email out new sign up slots under the 'parents'evening' system. This allows parents who work shifts to ensure that they and their children have equal access to these sessions.

HELP

Please remember, whatever your worries you do not need to face them alone. The pandemic has affected so many families in so many ways. If we can help you we will – this could be immediate help from us or signposting you to the right service. Requests for help should be emailed to help@st-peters-pri.gloucs.sch.uk These are only accessed by Mrs Baron and Mrs Desando and will be treated with sensitivity and in confidence.
