Y5	Data Handling	Midnight Fox	Earth & Space
Y6	Fractions	Non-chronological Reports	Animals including humans

May Procession

On Tuesday we celebrated the month of May and Mary our Mother and the sun briefly shone for us!

Thank you for all your donations of flowers. The scent in the Spiritual Space has been incredible. Remy and Joanna S crowned Mary with the support of Year 4 Chaplaincy Team who scattered flowers as they processed.

During the service we looked at how Mary; listened, witnesses, learnt and loved during her life and how we too can be like her on our everyday lives.

FLOWER POWER—BEE READY

As members of the Gloucester Schools' Partnership (GSP), all classes have been invited to create beautiful, colourful flower spaces around their school environment. Children are encouraged to use recycled materials for their flower pots eg large plastic milk cartons, which they can fill with compost and then plant flowers in them.

If you have any empty, milk cartons (these must be thoroughly washed out as we have children with dairy allergies), compost or bedding plants that you would like to donate, please send them in to school with your children. Thank you.

Whilst planting their flower gardens, the children will also be learning about the important part flowers play in the life of bees and why bees are important for pollination and the making of honey.

You might even like to involve your children in a similar project like this at home—working with nature is so good for everyone's wellbeing. We'd love to see any photos of our budding green-fingered gardeners! You can send your photos to homelearning@st-peters-pri.gloucs.sch.uk If you do not want us to share your photos in our Newsletters or on the school website, please make this clear in your email.

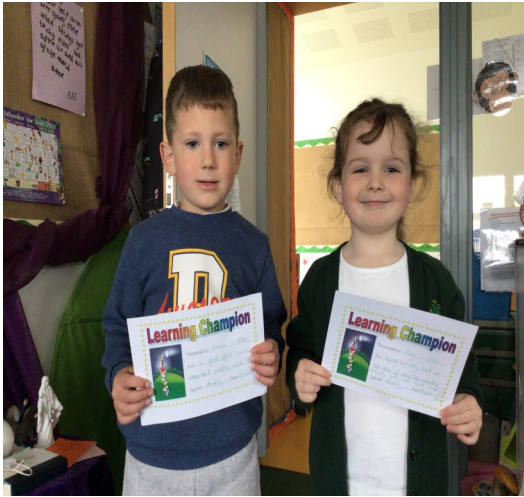

Thank you and enjoy!

#30daykindnesschallenge

How are you getting on?

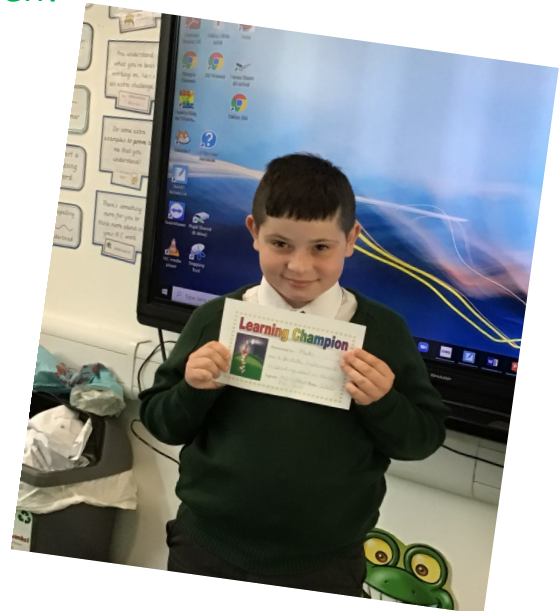

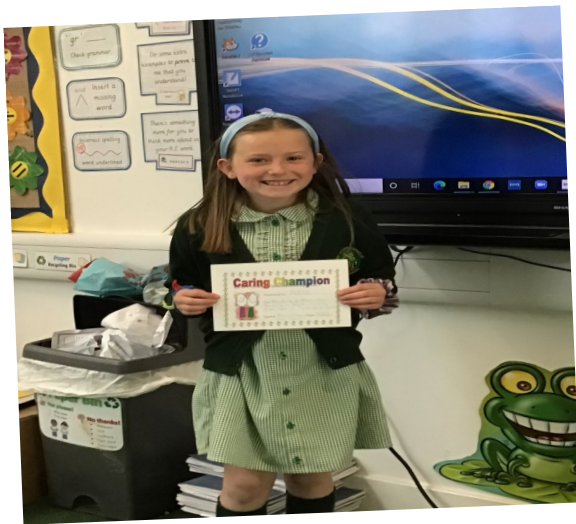

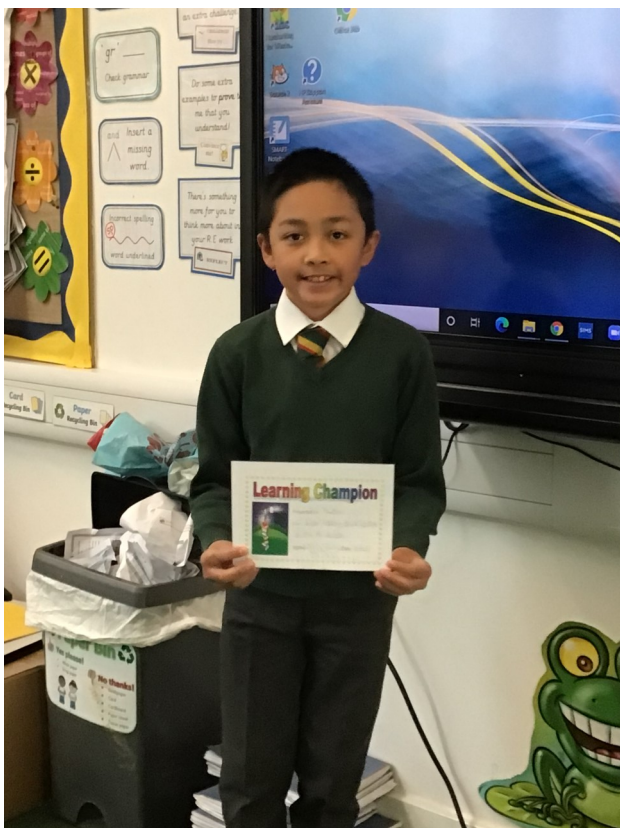

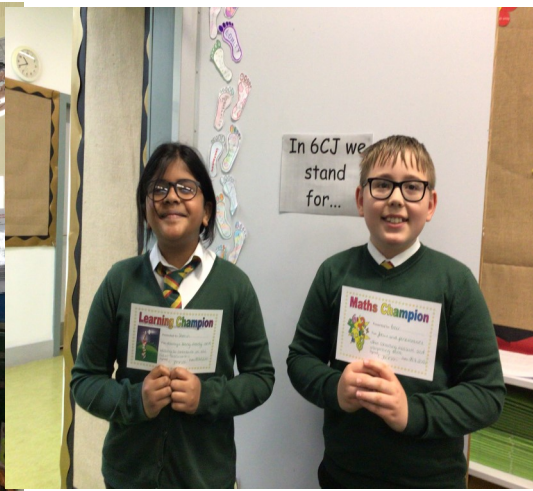

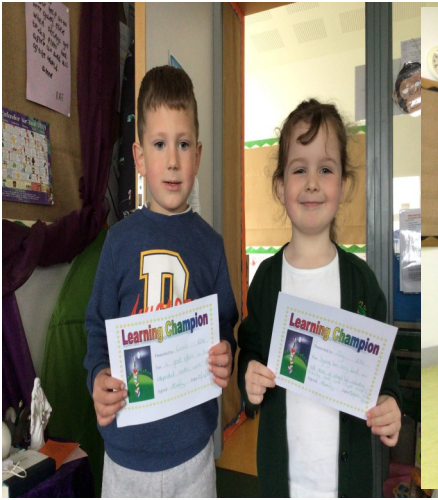

We hope that you and your children are able to make this challenge a part of your daily life at home. 'Filling buckets' is so important as it makes us feel good as well as making the other person feel good too. Talking about acts of kindness, acknowledging them and keeping a record of them is really important to help your child know that they are a kind and loving person. Their hearts will swell with pride and they will aspire to keep up these kind words and actions. In doing so they are also living out their faith, living in Jesus' footsteps.

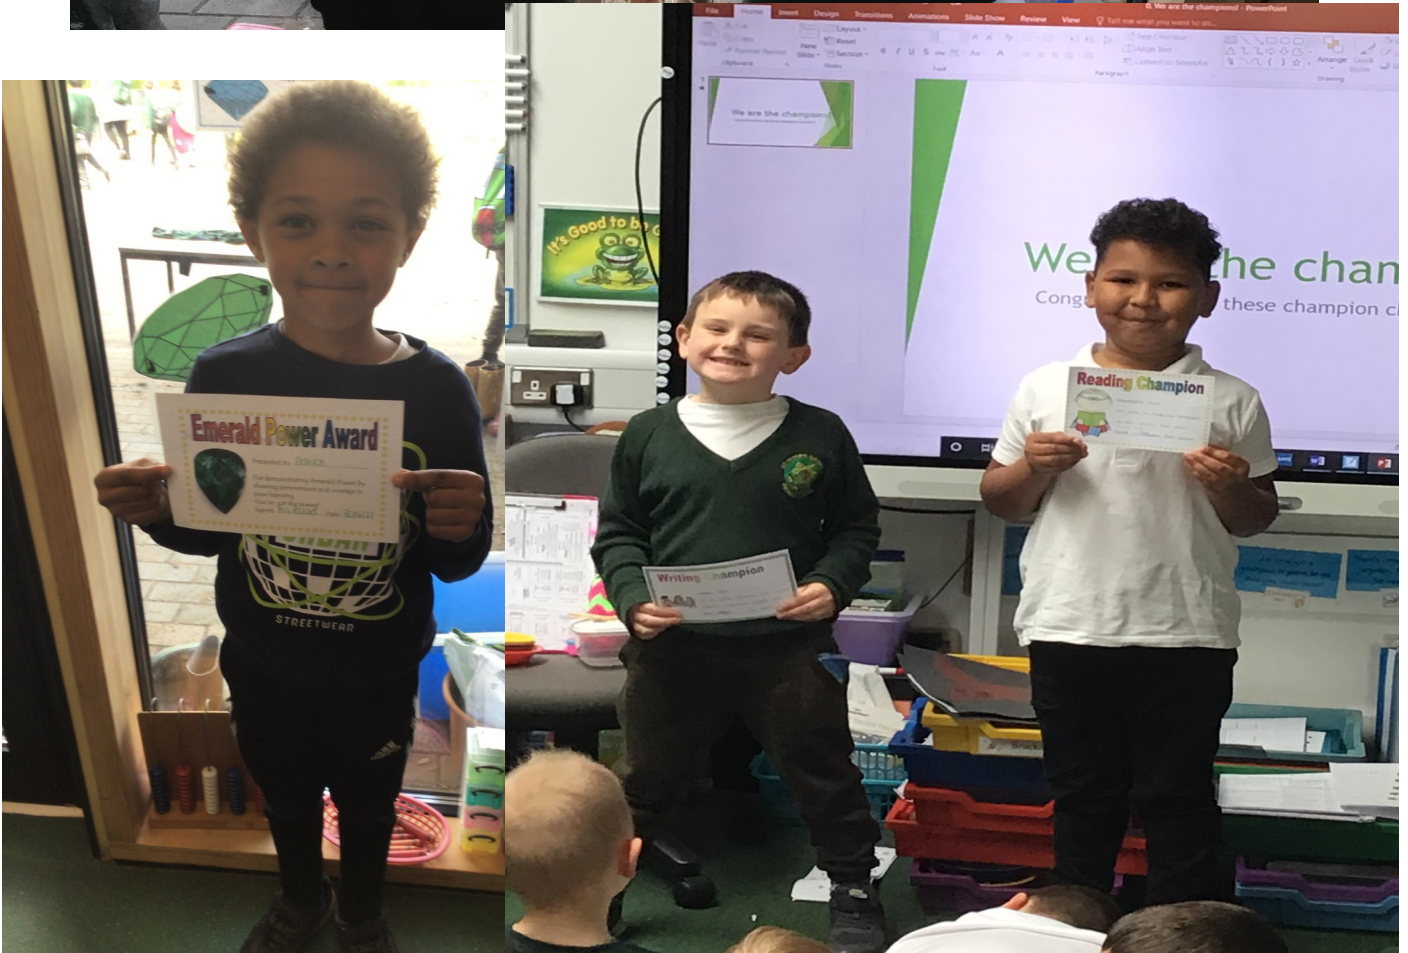

We are the champions!

Congratulations to these champion
children!

DATES FOR THE DIARY

Thursday 13 th May		Ascension Thursday	2.15pm
Monday 17 th May	Whole School	School Photographs	
Friday 28 th May		Trinity Sunday 30 th May	
Friday 28 th May		Finish for Half Term (normal time)
