Thank you, Amelia and her family, for your kindness!

## JUNIOR VOICES PROJECT

On Wednesday 23<sup>rd</sup> March, 36 of our Year 5 and Year 6 children took part in the Junior Voices Project at Gloucester Cathedral. This was a wonderful concert to celebrate singing and the way that music brings people together. They joined the Cathedral Junior Choir and pupils from Fieldcourt Junior Academy, while St Peter's RC High School provided the musical accompaniment. The children had been taught a number of songs in school by the Singing Development Leader from the Cathedral, Nia Llewelyn-Jones, and had worked especially hard to learn performance techniques to really bring the songs to life. Their repertoire included 'Shine Jesus Shine', 'There's a Power in the Music' and 'Do-re-mi' to name a few! It was a fantastic evening; the children sang their hearts out and should be very proud of the performance they gave. Thank you to all parents and carers for encouraging your children to partake in such a brilliant opportunity and for coming to support them on the night!

"It was quite scary to begin with but when we started singing, we tried our best and had fun." Esmae, 5MD

"It was so much fun! I really enjoyed how we got to sing with children from other places too." Ben, 6YW

## NETBALL

Our match this week was against Robinswood. Although the team lost 7-3, this does not reflect how well the team played. Well done to Emile and Daisy for scoring the goals. Congratulations to Ben for getting player of the match.

## GYMNASTICS

Last week and this week, 2 groups of pupils have been involved in GSSN Key Steps Gymnastics competitions. Last week the Y3/4 gymnasts competed against 13 other school and this week our year 5 gymnasts competed against 9 other schools. Each pupil had to perform a set floor routine and a vault in front of the judges and were scored on their technical ability and balance. Both teams did incredibly well to come towards the middle of the pack results wise and one of our pupils even managed to earn a bronze medal for her individual floor routine. Well done to all involved, you were a real credit to the school!
