MASS AT ST PETER'S CHURCH - MONDAY, 18th JULY

We have the school Mass at St Peter's Church on Monday, 18th July. If you can help with the walk to and from school (9.15–11.15am) we would love to hear from you. Please watch out for the SchoolPing with more information. Many thanks.

Y5 ORIENTEERING

This Tuesday, 30 Y5 pupils took part in the GSSN orienteering event which took place at Robinswood Hill Country Park. Our year 5s had just completed our St Peters orienteering programme, leading to their full use of our site wide orienteering course, so they were all eager to demonstrate their skills outside of school. Their experience meant that they excelled at the event and the facilitators were very impressed with their orienteering knowledge, skill and of course their behaviour, where again they were a credit to our school. It was a great day overall, with time to explore the new sculpture trail and expend even more energy at the play park before we left.

In the net

Year 4 watched the In The Net performance. This comical performance reinforces the message of staying safe online and highlights some of the dangers when speaking to people you don't know in real life. There was lots of cheering, booing and most importantly a memorable message of how to keep our personal information safe whilst using the internet.

Fenix- "It was really funny and I learnt how to be safe online."

Sharon- "It was great to watch and I learnt that I can be safe online by not posting personal information."

Have your Say - GCC is proposing a number of improvements to parking in the Kingsholm area of Gloucester

The proposal aims to increase residents' chances of finding a parking space in their own neighbourhood. It includes permit zones for local residents and businesses and time limits for non-residents parking. There are no plans to introduce pay and display parking as part of the proposals.

You can see all the necessary information and have the opportunity to comment at

<https://haveyoursaygloucestershire.uk.engagementhq.com/gloucester-parking-review>

The consultation runs until Friday 19th August, and any feedback will be used to decide if any changes are made.

HEADLICE

Unfortunately, we have cases of headlice in school again! Can we please ask that you check your child's hair on a regular basis and if needed treat as appropriate. There are many products on the market but conditioner and a nit comb work just as well! Many thanks for your co-operation.

Y4 TRIP TO CHEDWORTH ROMAN VILLA

On Friday 1st July, Y4 visited Chedworth Roman Villa to enhance their knowledge and understanding of what life was like in Britain when the Romans lived here. It was incredible to see the remains of real mosaics and the villa bathing area.

"I enjoyed making the replica mosaics and selecting the colourful tesserae to make a pattern." Isabel 4HC

"I loved exploring how time gets found from history." 4HC

"I liked how the mosaic was laid out on the ground to show off their wealth."

Serah 4LP

Could we please remind all parents that dinner money accounts **MUST** remain in credit at all times in order for your child/children to have a school meal. **Could we please ask that the current Year 6 pupils' accounts be monitored by parents/carers to ensure there is no debt or monies left on the accounts by the end of the academic year. Many thanks.**
