LIFE SKILLS FOR YOUNG PEOPLE

DYNAMIC AND INTERACTIVE SESSIONS DESIGNED TO SUPPORT THE PERSONAL, SOCIAL AND HEALTH EDUCATION OF YOUNG PEOPLE IN SCHOOLS, ALTERNATIVE PROVISIONS AND COLLEGES.

Our specialist staff are able to sensitively address some of the difficult issues faced by adolescents. Our sessions have received excellent feedback from both pupils and teachers who have been struggling to address these challenging topics.

Our group based work also provides an opportunity to identify individual 'at risk' young people and introduce them to the rest of our services.
