

St. Peter's Catholic Primary School

Charging and Remissions Policy

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers and visitors to share the same commitment. We follow Gloucestershire Safeguarding Children's Board Procedures. For more information go to www.gscb.org.uk

This policy must be read in conjunction with the Safeguarding Incorporating Child Protection Policy and the Equal Opportunities Policy.

Ratified on: 12th May 2021
Review Date: May 2022

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in maintained schools in England.

Purposes

- 1) This Charging and Remissions Policy covers charges relating to educational and non-educational activities.
- 2) School visits, which are planned to support classroom work, offer the pupils first hand experience of topics being studied. This first hand experience is an invaluable aid to the learning process. Visits also offer opportunities for the development of confidence, independence, responsibility for self and others, and a sense of adventure, which are not available in the same way in school.
- 3) Extended visits over a number of days undertaken by the older pupils offer a very special opportunity for social, physical, emotional and intellectual development outside the usual home/school environment, which would not otherwise be possible.
- 4) Practical activities such as cookery, and work in art/craft and design technology, are not only important in their own right, but also offer special opportunities for active learning and the development of cross-curricular skills.
- 5) The following guidelines set out the financial arrangements, which will apply when the above activities are under consideration.

GUIDELINES

1. General Principles

The school wishes to provide the best possible educational opportunities available within the funds allocated by the Department for Education (DfE). The law states clearly that education during normal school hours is to be free of any compulsory charge to parents/carers, and the school fully endorses that principle. It is recognised, however, that many educationally valuable activities will be dependent on financial contributions in whole or in part from parents/carers. Without that financial support, the school would find it impossible to maintain the quality and breadth of educational programme provided for pupils. Where specialists are involved or activities are organised to further enhance the curriculum provision parents may be asked for a voluntary contribution.

The school's concern is to keep financial contributions to a reasonable minimum and to ensure as far as possible, that all students are able to take part, regardless of their circumstances. Any calculated contribution will not exceed the actual cost of providing the activity and will be divided equally by the number of pupils participating. Donations from the PFA or any outside organisation will be taken into consideration when calculating the cost. There will be no levy on those who contribute, to support those who can't or won't.

If insufficient funds are available for an activity requiring voluntary contributions, it may be necessary to cancel activities, and parents will be informed of this when the contribution is requested. The current level of funding required for any activity is 95%, below which will be insufficient funds to proceed with it in full.

2. Charges relating to Educational Activities

Type of Activity	Request from parents/carers
Day trip (curriculum) Visits during school time required for curriculum reasons, or for Religious Education	Voluntary contribution
Day trip (optional, outside of hours) Visits which are not specifically required for curriculum reason or Religious Education, taking place outside school time	Charge for Allowable Costs*
Optional Activities (outside of hours) For example – cookery club after school	Charge for Allowable Costs*
Residential Trips **	Charge for Allowable Costs*
Classroom Materials (to own) Where the parent has indicated in advance that they would like to own the finished product	Charge for Allowable Costs*
Classroom Materials (for practical activities such as cookery, DT etc)	Voluntary Contribution

* Allowable costs include:

1. The pupil's travel and subsistence costs
2. Materials, books, instruments and other equipment
3. Teaching and support staff if employed to accompany the visit
4. Entrance fees to museums, castles, theatres etc

** Charges will be made for board and lodging, except for those pupils entitled to remissions – see section 4. Parents will be charged for all allowable costs* when the number of school sessions missed by the pupils totals half or more of the number of half days taken up by the activity. In such cases parents will be told how the charges were calculated.

3. Letter requesting voluntary contributions

The letter requesting a voluntary contribution will

- Explain the nature of the proposed activity;
- Explain its value in educational terms;
- Indicate the level of contribution required;
- Emphasise that there is no obligation to contribute and that no pupil will be omitted from the activity because his/her parents/guardians are unwilling or unable to pay;
- Indicate the activity may not take place if not enough contributions are received.

4. Remissions

The school is allocated specific funding for each child who is eligible for free school meals (or have been eligible in the past 6 years). This funding can be used to pay for extra-curricular activities for those children.

Contributions may be reduced or waived for pupils whose parents make a request to the headteacher.

5. Charges relating to Non-Educational Activities
