FOLLOW ME

In our Gospel this week he heard Jesus calling his first disciples. He said, "Follow me, and I will make you fishers of men."

We talked about how fishermen catch fish and how Jesus attracted people to follow him. He did this by showing everyone that speaking, listening and acting with love are the most important things that we can do as followers of Jesus.

When you see your child making good choices, praise them and tell them they are great role models of Jesus.

Y5 VOLCANO DAY!

Y5 had a fantastic day last Friday learning all about the causes of volcanic eruptions and earthquakes through drama. They also learnt about different myths from around the world about what they believed caused the eruptions and earthquakes!

Vlad from 5MD said , "It was very exciting and everyone loved it."

Blessed from 5MD said, "The lava tag game was my favourite part, it was great!"

BOYS' FOOTBALL TEAM

This Thursday, the Boys' Football Team played at home v Churchdown Junior School. It was a hard fought but respectful match against a very successful team so a 4-1 loss and 'once again' had the match been longer I'm sure we would have pulled a couple back with the way our game play was improving. The boys put in a really strong performance, enjoyed themselves and showed great team spirit and resilience. Well done to our 'Man of the match' Harvey who made great options down the left wing throughout the match and produced a fantastic assist for our goal (scored by Keegan). Well done to all those involved!

OPAL—MIRROR WALL

The mirror wall funded by the PFA, has now been created in the 'Small World' OPAL area and has been extremely popular. Pupils have been enjoying seeing themselves in the weird and wonderful reflections.

Thank you PFA!

PARENTS' EVENING

Parents' Evening will take place in school on Wednesday 15th and Thursday 16th February from 3.30—6pm. We will send you a link to the

sign up register nearer the time. Please note that all children must be collected from school at the end of the school day and not told to wait in school until you arrive as they will be unsupervised.

Thank you in advance for your co-operation.

Soft Plastic Recycling at Supermarkets

The school Eco Council members carried out a litter pick at the end of last term. We discovered that most of the litter being dropped is soft plastics. **Did you know that soft plastics can be dangerous to animals and take thousands of years to decompose?** Many large supermarkets now offer soft plastic recycling in stores. Eco Council members would like to encourage families to **collect their soft plastics at home and take them to be recycled when you go shopping.**

Examples of plastics that you can recycle: plastic bags, crisp packets, biscuit wrappers, bar wrappers, cling film, cellophane and many more.

Here are some of the main supermarkets that now offer soft plastic recycling:
