All items advertised are free of charge, therefore making uniform accessible to all and helping the environment by reducing waste sent to landfill. If you are interested in the group, please follow the link below:

The BOOK FAIR is back! Monday 26th June - Friday 30th June

Over £340 was raised at the last Book Fair which was fantastic! The children completed a wish list for the library. We have been able to purchase some of them with the vouchers, and also some lovely topic books for EYFS and Y5.

The children have been enjoying reading lots of amazing new books - thank you for helping make this possible.

The Book Fair will be in School in Extended Services from 3.10 pm - 3.30pm. We have the fantastic offer of 3 books for the price of 2 this time!

Every book sold at the Book Fair helps to earn Rewards that we can spend on books and resources for the library. For every £10 that you spend, the school can earn up to £6 back in Rewards to spend to refresh the range of children's books in the library.

Book Fair Competition:

Over the next two weeks the Librarians will be running a competition to win £5 vouchers to spend at the Book Fair (26th -30th June). EYFS and KS1 need to design a book front cover, KS2 need to create their own character for a story. Templates are available from class teachers or from the Library. We are looking forward to seeing some really creative and imagination ideas. Entries must be in by **Friday 23rd June 2023** and winners will be announced in assembly on Monday 26th June.

Good Luck Everyone!

A message from Gloucester Ski and Snowboard Centre:

Dear friends,

We are contacting you to let you know about all the fun activities we run over the summer for people aged 3-130! Our new and improved tubing slope gets the adrenaline pumping. Going down a slope on a tube and racing your friends for only £12 a head it is a fun activity (perfectly followed by ice cream or a slushie which can be purchased on site) for anyone aged 4+! Outdoor laser tag means getting fresh air, team building, and sneakily getting in some exercise for anyone over the age of 6. After an hour of running around the hill, they're sure to be ready for some nice rest! Skiing is such a fun sport and can open many opportunities in the future for ski trips and meeting new likeminded friends. Our range of private and group ski lessons means that anyone of any ability above the age of 3 is welcome to learn to ski, race or practice their skills. Ski lessons we run cost anywhere between £20 and £65 with all equipment included, dependant on age, or whether you want a group or private lesson. And our recreational rates go as low as £16. You can't go wrong! We run a Holiday Ski School which is a three-day course (10am-12pm) for children aged between 6 and 9 years. And a two-day course (10am-4pm) for children aged 10-16 years with an included lunch. Any skill ability is welcome, as we run different levels on each course at the same time. For £120 per person for each course, this is a sure-fire way for your kids to build up their interest in skiing and meet new friends! If you want a bit of everything, look at our Holiday Activity Days. For just £50, anyone between the ages of 6-16 can enjoy a day full of skiing, tubing, and laser tag, all with an included lunch! Snowboarders are welcome too! With the same rates as recreational skiing, and lessons between £32 and £65, anyone above the age of 10 can learn to ride. We also run a Holiday Snowboard Camp! Anyone between the ages of 10 and 16 is welcome to come for a three-day course, for three hours each day for £120. Learn to snowboard quickly to show off to your friends!
