## LEADERS IN FAITH

On Monday, our Y6 children led our Gospel act of worship by acting out little scenarios of how we can, in our every day life, 'act with love'. They were amazing!

The next day I found a wonderful example of 'acting with love' in the Spiritual Space—2 girls were helping their friend apply a plaster as she had a blister on her ankle. Well done to everyone!

# PFA 'Non-School Uniform Day'

## Thursday 29th June 2023

Wear your own clothes to school in exchange for an item from the list below for the PFA Summer Fun Day on Friday 30th June 2023:

- |                     |  |                   |
|---------------------|--|-------------------|
| • Box of sweets     | • Bottles<br>(wine, alcohol, sauce,<br>juice, washing up<br>liquid etc | • Unwanted gifts  |
| • Packets of sweets | • Toiletries   | • Home made cakes |

On Tuesday evening, our Spiritual Space was packed full with family and friends who had come along to support their amazingly talented children in the Let Your Light Shine talent show. The children (Y1—Y6) had worked incredibly hard over the last 8 weeks, giving up their lunchtime every Tuesday to rehearse their act and some of our older children even helped the younger children. The evening was one of great joy. We had drums, magic, singing, rapping, cheer, gymnastics, roller-skating, dance, solving a rubix cube and public speaking. Thank you to every single one of our children for sharing their talent and letting their light shine! Thanks to our PFA for But most importantly, thanks to Elizabeth and Eliza who co-ordinated the event—well done, girls! We are very proud of you.

The children will perform their acts to the rest of the school in July. Once the date has been agreed we will let them know!

Thank you to all our parents/carers for your support as well. Definitely a 'honey on your heart' evening.

## Free summer 2023 challenge for children with Gloucestershire Libraries

The Library Challenge aims to encourage children aged three to 12 years old, and their families, to discover everything their library service has to offer. Children can find out what their library means to them by completing a range of tasks, including reading any books they choose, taking part in events and getting into nature.

Participants will receive incentives and prizes along the way, with a firm focus on discovering new interests and having fun.

Running from 15 July to 16 September 2023, The Library Challenge aims to encourage children and families to access their local library services and celebrate their own journey.

### Y6 Rounders Tournament

On Wednesday 21st June, nine children from year 6 went to Denmark Road High School for a rounders tournament against other local primary schools. Being relatively new to the game, we entered the 'developing teams' competition to improve our skills and knowledge of the rules. We are proud to say that we quickly got the hang of it, progressed well, and came third overall. Congratulations to the team!

"It was a fabulous experience and we had a lovely time playing as team."

## Y4 ROMAN GLOUCESTER VISIT

Year 4 had an excellent tour of Roman Gloucester. We were able to visit different places around town and discover some of the Roman history that lays underneath our feet.

Thank you to year 4 for your excellent behaviour and representing our school so well.

"It was amazing, I liked seeing the horse pool underneath Boots." Max

"When we went underneath the glass it was really exciting." Sofia

"The graves outside the city walls were creepy!"  
Phoebe

## The BOOK FAIR is back! Monday 26<sup>th</sup> June - Friday 30<sup>th</sup> June

Over £340 was raised at the last Book Fair which was fantastic! The children completed a wish list for the library. We have been able to purchase some of them with the vouchers, and also some lovely topic books for EYFS and Y5.

The children have been enjoying reading lots of amazing new books - thank you for helping make this possible.

The Book Fair will be in School in Extended Services from 3.10 pm - 3.30pm. We have the fantastic offer of 3 books for the price of 2 this time!

Every book sold at the Book Fair helps to earn Rewards that we can spend on books and resources for the library. For every £10 that you spend, the school can earn up to £6 back in Rewards to spend to refresh the range of children's books in the library.

## Y1 NATIONAL WATERWAYS MUSEUM TRIP

Year 1 enjoyed a trip to the National Waterways Museum on Monday. We learnt about the history of Gloucester Docks and what it was like to work there when they were built. The best bit of the trip was a boat ride along the Gloucester and Sharpness Canal. We saw lots of different boats and bridges and we enjoyed waving at passing boats to check if they were pirates!
