Dear Parents/Carers,

Our school sports day is a whole day event.

Parents/carers are welcome to go onto the school field from 8.55am.

You can pitch up anywhere on the outside perimeter of the field, except for the area in front of the big bank at the back of the field as this needs to be kept clear for the children. Thank you.

Don't forget to bring your picnic rugs, camping chairs, parasols and picnics.

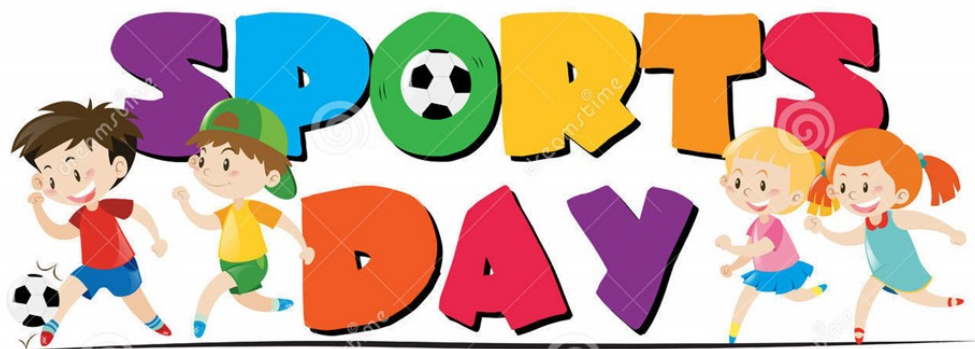

Toilet facilities for parents/carers are in the Sports Pavillion – this is the building at the top of the slope half way down the field.

During the morning and lunch time break, the PFA will be selling hot and cold drinks, crisps, cakes, drinks and ice creams from the staff room (this is next to the Y3 classrooms).

School children can purchase items at lunchtime only. All children must bring their own snack and water bottle to school and these will be consumed at break time in their classrooms.

Running order for the day is as follows, and all timings are approximate:

9.15 - 10.40am	All children will complete a range of round robin activities. They will all earn house points in these activities.

## Y6 Fun Event

On Wednesday 5<sup>th</sup> July, Y6 had their end of term fun event at Gloucester Ski Centre. The children got to try skiing on the nursery slopes - many for the first time which was a great experience. They also had a tubing session where they got to whizz down the slopes in the doughnut rings; it was great to hear so much laughter - even the screams were impressive! Later in the day, the children had water games on the field followed by supper from the chip shop. It was a fantastic end of year celebration for all the children with lots of memories made.

"I enjoyed the tubing because it was fun going down the slope really fast but it was tiring going back up! I wish there was an elevator to bring me up. The skiing was very fun but it made me sweat a lot. I fell over loads!" Finlay

"The tubing was my favourite part because it was easier walking up the hill with a tube than skiing because I kept falling over", Poppy

"I liked the tubing because it was fun going down the slope. I would recommend to people. I think it would be better if we went down a bigger slope for skiing!" Elsie

## **PRINCE OF WALES STADIUM**

On Wednesday, 5th July, children from across years 2-5 took part in the GSSN Gloucester Primary Schools athletics championships at the The Prince of Wales stadium in Cheltenham. It was an action-packed day of track and field events against 7 other schools and we came away with 7 medals; 2 golds, 1 silver and 4 bronze for various events. The pupils had a wonderful experience, showed great team spirit and were a credit to our school as always. Well done to everyone involved.

**MASS AT ST PETER'S CHURCH—MONDAY, 17th JULY 2023**

We have the school Mass at St Peter's Church on Monday, 17th July. If you can help with the walk to and from school (9.15—11.15am) we would love to hear from you.

Could we please remind all parents that dinner money accounts **MUST** remain in credit at all times in order for your child/children to have a school meal.

**Could we please ask that the current Year 6 pupils' accounts be monitored by parents/carers to ensure there is no debt or monies left on the accounts by the end of the academic year. Many thanks.**

The PFA would like to say a massive **THANK YOU** to all parents, carers, family and friends who came along to support the Summer Fun Day. It was an amazing afternoon and the atmosphere was great.

The PFA raised a fantastic £900!

Thank you to everyone who donated items and helped out before, during and after the event.

### Anti - Social Behaviour Week

This week it has been Anti-Social Behaviour awareness week (3<sup>rd</sup> to the 9<sup>th</sup> July) and the Schoolbeat team have produced a short video to highlight what anti-social behaviour is, how it affects communities, what the consequences could be and what to do if you are worried.

We have shown this video to all children in KS2 and discussed how there are many different types of behaviours that can be classed as anti-social.

If you wish to view the video and discuss this further with your child/ren there is a link on our school website.

Many thanks for your support with this,  
Mrs Devereux
