Explore different shapes in art through silhouettes

English

Writing sentences with accurate punctuation including capital letters, full stops, question marks and exclamation marks.
Describing settings and characters
Discussing and exploring stories
Writing a non-fiction report
Writing instructions

Science

Animals including Human Living Things and their Habitats

Children will learn about animals and their offspring, food chains, the different food groups and use this to identify a balanced diet. We will investigate how hygiene, sleep and exercise can affect health. We will learn how to keep our teeth healthy. In addition to this we will learn about animals from different habitats and how they are suited to their habitats. We will sort and classify living and non-living things and explore conditions for survival for different animals

R.E. following diocese curriculum

The Creation - Recognising, retelling and praising God's creation.

Prayer, Saints and Feasts – Understand why and how we meet God in prayer.
Exploring the liturgical calendar.
Recognising the values of a Saint.

Advent – Exploring how we can prepare for the birth of Jesus.

Computing

Online safety
Researching using online safety skills
Talk about why I use technology in the classroom and my community

PE - Multi skills coaching
Co-ordinating movements to make a sequence. Performing strong and controlled balances.

PSHCE

Following the TenTen scheme we will explore emotions, zones of regulation and the Five Ways to Wellbeing.

Music

Singing with different harmonies, rounds and using Makaton to aid performance skills.

Year 2

BANG! ROAR!

Autumn 2022
