Yesterday we learnt all about Mission Together and how we can be children helping children. Pope Francis has asked all the children to work together to help the children in India who live in the slums. Today we had our day of many colours and the money we raised will help the charity create a better world for them.

PARKING NEAR SCHOOL

Can we please remind parents/carers to respect our neighbours' parking spaces. We've had a call from a local resident in Victoria House today that one of our parents were using their parking space. The management company are now issuing penalty notices through Link Car Park.

Y6 BIKEABILITY

This week some of the Y6 children participated in Bikeability training. "I've learnt how to indicate and do a u-turn. This was hard because it was tricky to look backwards whilst riding forwards." Vincent Y6 "I enjoyed riding on the roads because it was my first time and I learnt lots of skills." Alani Y6.

CONGRATULATIONS!

We'd like to congratulate Miss Evans and her partner Adam, on the safe arrival of Noah George who was born on Tuesday, 26th September. We send them all our best wishes.

Black History Month

Black History Month is a national event which runs throughout October every year. As in previous years, we will be learning more about Black history in school. To enhance the children's learning further, this year we have booked some exciting workshops for all classes in KS1 and KS2. These will be run by an outside education company who specialise in combining drama, song and movement into lessons so they promise to be interactive and full of facts. On this occasion, all workshops will be funded by the school in order to offer our pupils a wide range of learning experiences.
