Parent Governor Vacancies

We have two vacancies for parent governors which need to be filled. Parent governors are elected by and from the parents of children currently attending our school. They serve a four-year term of office and bring a very important and valued perspective to the work of the governing body.

Information was sent on School Ping earlier in the week, with all the information. If you would like a paper copy, which includes a nomination form (you can nominate yourself) please come to the office.

Kind regards,
Karen Matthews, Clerk to Governors

Chaplaincy Commissioning

This week, some of our children went to Clifton to be commissioned into the church and meet Bishop Declan.

Jaxon and Naranjan did a superb job of carrying our school banner.

The Team met up with other children in our partnership schools too which was wonderful!

This year our Chaplaincy children will be focussing on the love we show to others and are planning many ways we can deepen the prayer life of our school and reach out to our community with love at the centre of everything we do.

ESFA Girls' Football Tournament

Our girls took part in their first football tournament at Oxstalls Sports Campus. We were up against some tough school teams but we fought very hard. We weren't successful and were bottom within our group but did manage to secure a win in the play-offs. Well done to the team for persevering and not giving up without a fight! Our next league match is on Monday 23rd October. Please come along and support us if you can!

BLACK HISTORY MONTH

Children in Year 3 and Year 4 thoroughly enjoyed their Black History Month workshops on Wednesday 11th October. They used role play to learn about the lives of prominent black people throughout history and today. Children developed their understanding of discrimination, cultural heritage and chronology.

"Today we worked in groups of twos and fours. We made freeze frames about Black people and what they did in the past." Sara 3CE

" We went in a circle dancing to some Carribean music. Then we got into groups of two and did a true or false quiz. After that we went into groups of four too recreate a moving timeline." Aibel 3CE

Over the next 2 weeks children in all year groups will also be learning about black saints. We look forward to sharing this learning with you at the end of term.

We are taking part in the CAULIFLOWER 2023 Christmas Project raising money for our School!

This year we have decided to participate in a 'Christmas Design Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child has been creating his/her own Christmas design which can be professionally printed to produce personalized Christmas Cards, Gift Labels, Wrapping Paper and/or Mugs. On Friday 20th October, your child will bring home their original artwork attached to an order form with further instructions. Please keep the artwork attached to the order form, unfolded and as crease free as possible. If you wish to order, you must place your order online and return the original artwork attached to the order form to your child/ren's teacher by Thursday 26th October. Many thanks
