# LEADERS IN FAITH

In our Celebration of the Word (Gospel) assembly on Monday, we learned that God wants us to LISTEN to his son, Jesus. We linked this to our Core Virtue of WISDOM, where we thought about the wise old owl:

The wise old owl, sat in an oak

The more he heard the less he spoke,

The less he spoke the more he heard,

Now why aren't we all like that wise old bird?

Our MISSION this week is to be WISE and listen to our friends, teachers and parents when they are giving us good advice.

Are you noticing a difference at home?

**This is my  
Son whom I  
love very  
much.  
  
LISTEN TO  
HIM.**

### GIRLS FOOTBALL TEAM NEWS!

The girls played their semi-final match against Abbeymead Primary School on Tuesday. It was a tough battle from the outset; our girls weaved in and out and worked well with one another to score 2 goals in the first 15 minutes. Unfortunately, the opposing team equalized by half-time. We continued to fight after half-time and our defenders worked even harder to stop any more goals. Bianca made some excellent saves but unfortunately we finished the game at 4-2. We will build on our successes and continue to train to come back even stronger! Well done on your super performance in this tournament girls!

### HAPPY ST. DAVID'S DAY

Today we celebrate and pray to St David, the patron saint of Wales. David converted the people to Christianity and he performed many miracles. Legend has it that one day when he was preaching, the ground below him rose up so that he was raised above the crowds who

had gathered to listen to him so that he could be seen and heard by all and that a dove, sent by God, then settled on his shoulder.

In Wales, some people dress in the national costume and others wear a daffodil—a a spring flower that usually blossoms at the start of March.

Happy St David's day to all.

Dear Parents/Carers,

Please take time to read the attached link about threadworms.

<https://www.nhs.uk/conditions/threadworms/>

Threadworms are tiny worms in your poo. They are common in children and spread easily. You can treat them without seeing a GP. Your local pharmacy will be able to give you advice and provide medication.

Common symptoms can include:

Extreme itching around the anus or vagina particularly at night.

Irritability and waking up during the night.

Less common symptoms can include:

Weight loss.

Wetting the bed.

Irritated skin around the anus.

Please get advice and treatment if required to help to limit the spread in school.
