We had a wonderful day together on Thursday celebrating all of the children in KS2 who recently received their First Holy Communion. Father Liam came in to celebrate Mass with us altogether and the children looked beautiful in their sacramental outfits. The celebrations continued as we had a party together on the field; enjoying the wonderful sunshine (finally), eating party food and snacks, playing fun games and celebrating this wonderful sacrament with our school family. We are very proud of all of the children who were reverent, respectful, joyful and happy throughout all of the communion preparations and celebrations this year, especially those who participated in our school Mass service sharing the readings, prayers and offertory for us all. Thank you to all of the families and friends who were able to come and celebrate Mass with us Thursday morning. As always, thank you Father Liam for sharing this special time with us. Thank you Mrs MacDonald for preparing the Mass and thank you to all of the teachers for preparing the Mass the children. Thank you to our wonderful families and of course, most importantly, congratulations to all of our children.

## Y1 BRISTOL AQUARIUM TRIP

Wow!! What a fantastic day Y1 had at Bristol Aquarium. Here are some pictures of all the fun that we had!

We were so impressed with the children's awesome behavior. We learnt lots of new facts about under the sea animals and even got to feed some fish!

Could we please remind all parents that dinner money accounts **MUST** remain in credit at all times in order for your child/children to have a school meal. **Could we please ask that the current Year 6 pupils' accounts be monitored by parents/carers to ensure there is no debt or monies left on the accounts by the end of the academic year. Many thanks.**

## Y5 ORACY

We had special visitors from St Peter's High School for our Y5 children on Tuesday, where Miss Chapman, Mrs Farrell and Mrs Watkins worked with us to develop our Oracy skills! We learnt how to enhance our presenting skills through active participation and listening and we prepared and performed a short oral presentation about our views on changing the world. We absolutely loved it!

## Team Building Festival

On Tuesday 18th June, ten children from across Y3, Y4 and Y5 went to a Team Building Festival at Plock Court, as part of the Gloucester School Sport Network. It involved a series of activities that encouraged and supported the children to communicate and work alongside each other.

'We really enjoyed the team-building day. We did lots and lots of fun activities! In one, we had four people 'skiing' and we had to move together to pull some ropes to move the skis forward. We also made a bridge to make a golf ball roll into a bucket. There were so many other fun tasks. The skiing one was my favourite. My team worked really well together.' Maksymilian 5FB
