**Following in Jesus' footsteps, we live, love and learn together as a school family to build a better world.**

Friday 5<sup>th</sup> September 2025

Dear Parents and Carers,

It is with great joy that I welcome you and your children back to St. Peter's Catholic Primary School for the start of this new academic year. We have had a wonderful couple of days so far on our return. The school has come alive once again with the sounds of laughter, learning, and renewed friendships, and it is truly wonderful to see our community reunited after the summer break.

Children are adapting well to their new classes and responding positively to their new teachers. I have been very impressed with the focus, energy and positivity as I move around the building and grounds.

It has also been wonderful to welcome our new Reception children, new children joining across the school, new parents and families, and new staff members to our school. I know you will join me in making each of them feel welcome as they join the St. Peter's family.

This morning, we gathered together in a spirit of faith and celebration for our start-of-year Mass, led by Father Gary Brassington. It was a beautiful and meaningful way to begin our journey together this year, and we are delighted to welcome Father Gary on his return to both our parish and school community. His presence and words offered us all a moment to reflect, to give thanks, and to look ahead with hope and unity.

We are excited for the year to come – for the learning, growth, and development ahead of us. Our amazing staff team are already hard at work, eager to support and guide your children in all they do, both academically and spiritually. We remain committed to working in close partnership with you, as together we nurture the gifts, faith, and potential within every child at St. Peter's.

I wanted to write to you this week to welcome you warmly back to St. Peter's. Our normal newsletter will resume from next week. In the meantime, please may I kindly ask that you keep an eye on communication regarding the launch and transfer to our new school communication app, EduLink One. This app will help to improve home-school communication moving forward.

Thank you, as always, for your continued support. Here's to a happy, successful, and blessed year ahead.

Kind regards,

*K Doyle*

Mr. Kurt Doyle
